<b>Observation Close Date:</b>	16-Mar-2018	
<b>Details of safety observation:</b>	Injured party (IP) reported that he had sustained small cut to Right hand, third finger knuckle. There was a small amount of bleeding. Attended to IP - IP wiped cut (antiseptic wipe) and self applied plaster. Advised that IP should keep a watch on the cut and that it the plaster might need replacing (as cut across knuckle are easy to reopen. IP was unsure of exactly how he had sustained injury.	
<b>Immediate action taken:</b>	see above
