Exact Location or Project of Act/Condition/Safe Behaviour:	Gathering firewood at the campsite without wearing hand protection.
Observation Type:	Unsafe Act
Observer Name:	toni cerujano
Observer Email Address:	
Stakeholder:	Wood
Observation Date:	22-May-2021
Observation Time:	09:30
Observation Close Date:	25-May-2021
Observation Category:	Integrity Management Protective Systems
Details of safety observation:	When we were out camping on the weekend, it was chilly and the kids were eager to gather firewood so we can start a campfire. The campsite has free firewood, out of excitement, they were going to the pile of firewood without any hand protection.
Immediate action taken:	I told them to think about safety all the time, wear mitts when gathering firewood so their hands are protected and not to have wood splinters.
