Observer Name:	Jason Norris
Observer Email Address:	JNorris@Marathonpetroleum.com
Stakeholder:	Client
Observation Date:	24-Nov-2019
Observation Time:	15:00
Observation Close Date:	26-Nov-2019
Observation Category:	Travel and Safety away from the office Electricity
Details of safety observation:	While installing outdoor Christmas lights I discovered that several strands of lights were not working. While troubleshooting the lights I discovered several strands of lights had some frayed wiring and loose connections.
Immediate action taken:	I made sure to discard the lights and made sure the other strands of lights were in good working order. Also made sure the receptacle that was being used was GFCI protected and in good working order.
