<b>Name of Individual or Team:</b>	Kevin Gaskin
<b>Details of safety observation:</b>	I was asked to go and see Kevin, he was experiencing sharp pain in his groin area (we was sweating and feeling very hot as well) after speaking with Kevin for a moment, we walked down to the FA room on the 1st floor. Kevin was sitting when the pain occurred and had not experience something like this previously. After a couple of minutes the pain had eased and Kevin asked to go back to his meeting. I escorted him back to the room and showed him where I was sitting. He advised he would contact his GP for further assistance. I have checked on Kevin since the incident.
