Details of safety observation:	<p>Techimp worker were working on wiring check on 24Vdc beacon light (out of service and disconnected). Since they couldn't manage to use the screwdriver with the gloves they tried without gloves. Also since they were working in a office room sometimes they forgot to put on the protective helmet.</p>
Immediate action taken:	<p>Asked them to always wear the required PPE, also if they are working in a office. If their gloves are not suitable to perform their activities, new gloves should be provided by Techimp.</p>
