| Home or Work Related Observation?: | Work |
| Exact Location or Project of Act/Condition/Safe Behaviour: | Road behind shinfield park |
| Observation Type: | Unsafe Condition |
| Observer Name: | Luke Ashman |
| Observer Email Address: | luke.ashman@woodplc.com |
| Stakeholder: | Wood |
| Observation Date: | 23-Jan-2019 |
| Observation Time: | 12:30 |
| Observation Close Date: | 24-Jan-2019 |
| Observation Category: | Work Environment Pedestrian routes (floors, stairs etc.) |
| Details of safety observation: | Whilst walking around the outside of the building I noticed the road to have not been gritted/salted. In the areas under trees which had not seen sunshine this resulted in patches of ice. With many people walking around the outside of the building this presented a safety risk, especially given the current 'step challenge'. |
| Immediate action taken: | Reported to facilities management, they advised they would grit the area immediately. |
